*Celebrating the Spoken Word*

## Dion Graham & Jayne Entwistle

Meet award-winning audiobook narrators, Dion Graham and Jayne Entwistle. They will talk about what it is like to be a narrator and how it fits into their professional and personal lives. Q & A is encouraged.

## The Great Storytelling Voice Competition

Contestants show their storytelling skills by reading a passage of a story aloud. Just like in "The Voice," a panel of judges will be able to hear, but not see, the contestants. The winner will get an award, "The Vonnie" and will have the pride of being "The Great Storytelling Voice"!

## Listening Stations

Sample audio books at listening stations throughout the library. Bring your own headphones, or pick up the AudioCon special edition ear buds to listen to great book excerpts.

## Narration Booth

Record your own brief narration to an AudioCon flashdrive with professional grade recording equipment and operators.

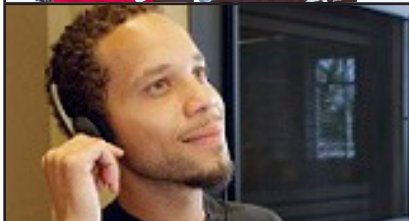

## How to Download an Audiobook

Learn how to use OverDrive and Hoopla, services available to any Rock County library card holder. Program repeats every 20 minutes between 10:00 - 12:00 and 1:00 - 3:00 p.m.

## Readers Theater

Jayne Entwistle will coach participants during a morning workshop and the group will perform in the afternoon. If you are interested in this free opportunity, call: 608-364-5766 or email: [tkakuske@beloitlibrary.org](mailto:tkakuske@beloitlibrary.org)

## "Reading with Your Ears"

Listening to books is reading. During her presentation, Deb Taylor will show you how to get the most out of "reading with your ears."
